

SEDONA SINGLE DWELLING

The Sedona is a great plan with plenty of living space for those who want it all on one level. The plan has 3 bedrooms, 2 bathrooms, informal and formal dining, entertainment room and great room. The breakfast nook and entertainment rooms are next to the kitchen for the ease of having conversation while cooking the meals. The covered patio is close to the kitchen for convenience. Laundry facilities are by the bedrooms. Imagine walking thru the front entry door to see the bright, airy, and large great room with the curved entry walls, all enhanced with your furniture and window treatments. This plan is truly inviting to live your practical day to day life, and to entertain in. You can not go wrong with this versatile and functional Sedona plan.
